

DECLUTTERING?

Artificial flowers, badge holders, bags, baskets, beads, birthday cards, birthday wrapping paper rolls, bric-a-brac buttons, CD's, card...

...fishing equipment, flower pots, foreign currency, gardening gloves, garden ornaments, garden tools, gutters, keys, seeds, tissue paper...

“WE NEED THAT!”

This directory shows you that items you are about to throw in the bin or take to the tip, after a decluttering session could be needed by not-for-profit organisations/ individuals in the BCP and Dorset Council areas. See inside for the 97 items being requested...

Decluttering?—We Need That! is a project run by Win on Waste (Charity no. 1170422)

Welcome to Decluttering? We Need That directory. Does this sound like you?

**Having a declutter? Clearing out the attic or garage? Moving home? Downsizing?
Clearing out the home of a friend or relative?**

If so, before you throw items in your rubbish/recycling bins/skip or take them to the tip, please check this directory to see if any of the 96 items you have may be needed by any of the 25 **not-for-profit organisations** included in this directory. Then just call up any of the contacts by that item and arrange delivery/collection.

What do the not-for-profit organisations use the items for?

Many of them will use them to raise funds, but others will use them in their day to day work e.g. craft sessions.

We Need That!

For those items you more regularly throw away e.g. biscuit wrappers, milk bottle tops, dried up ballpoint pens etc., please see our We Need That directory www.winonwaste.org/recycling-resources/

Are you involved in a not-for-profit organisation? Could you use any of the items in the list, or need other items not currently listed?

This directory is updated quarterly so if you would like to be included in a future issue please let Stacey know: 07771 705662 or contact@winonwaste.org.

***Important:** Win on Waste accepts no liability or responsibility in relation to the delivery and/or collection of items. Win on Waste is only facilitating in the brokerage of reusable items. Please remember to mention that **you saw the needs in this directory**.*

Other places you could try to find a new home for your unwanted items If you find you have items that no one in this directory needs, you could always advertise them on Freecycle (Trash Nothing) <https://trashnothing.com/>, Gumtree <https://www.gumtree.com/>, Freegle <https://www.ilovefreegle.org/>
